

BOSTON ORGANICS

2016

YEAR IN REVIEW

Certified

Corporation

Certified

Corporation

As a certified B Corporation, we are committed to solving social and environmental issues through business.

Through your support, we continued to help build a more healthy and vibrant food system and strengthen our local economy

Social Responsibility

Strengthening the local economy and regional food system

70%

Of businesses, farms and food producers we work with are local and independent

3X

More money stays in the local economy when you support a local business vs a national chain

When you spend \$100:

At a local and independent business

Local

VS

Non-Local

At a national chain

Local Produce Purchased and Delivered In 2016:

18,456 Heads of Local Lettuce

30,924 LBS of Local Apples

Supporting the Communities We Serve

110+ Partnerships with Nonprofits, Schools and Community Organizations through In-Kind Donations and Sponsorships

We donated 39,290 lbs of produce to Food for Free, equivalent to the weight of a Greyhound bus!

Environmental Stewardship

200 Cubic Yards of Landfill Space

Saved by Composting

80,000 Carboard Boxes

Saved by deliveries in reusable green totes

444 Adult Trees

Saved by Recycling

3,200+ DELIVERIES BY CARGO BIKE

USDA ORGANIC

100% of our produce is USDA certified organic and non-gmo

Boston ORGANICS
Fresh. Organic. Delivered.
